MARITIEM INDUSTRIE SERVICING

Ursuit RDS WE

A special model of the popular RDS Rapid Donning Suit especially made to meet the demands of the offshore industry.

SUPERIOR BENEFITS

- Gore-Tex® breathable fabric with ePTFE membrane
- Seam construction: double seams for extra secure water tightness and durability
- Collar opening for ease of donning and ventilation in warm weather
- Socks made of same fabrics as the suit itself enables use of any professional footwear

KEY FEATURES

- Soft neoprene wrist seals for comfort
- Soft neoprene neck
- attached splash hood, which protects against wind and rain. In addition a separate 3 mm neoprene hood, which protects against cold water.
- YKK® plastic front zipper, for easy donning and doffing
- 2 patched chest pockets with zipper and touch and close fastening. Left pocket is equipped with whistle, buddy line and small Carabiner hook.
- 2 large thigh pockets with flaps and touch and close fastening
- sleeve pocket with integrated 3mm 5-finger-neoprene gloves
- Knee and seat reinforcement made of Cordura® material
- Internal elasticsation keeps the legs up and improves fit
- SOLAS Reflective tapes: the suit is fitted with durable flexible reflective tapes in optimum positions, which assures visibility in all conditions
- Supplied in a durable fabric carrying bag
- Possibility to increase thermal protection from 1 to 6 hours by combining with our thermal liner
